OPEN EVENING INFORMATION

Wednesday 10 January 2023 – 6.00pm to 9.00pm

Principal's Address 6.00pm, 7.00pm and 8.15pm in the Assembly Hall

To Parents/Guardians naming Bloomfield Collegiate School ("the School") as a preference on your child's Transfer Application.

When considering which children should be selected for admission, the Board of Governors will take into account only information which is detailed on or uploaded with the Transfer Application including where appropriate, the Total Standardised Age Score (TSAS) awarded by the Schools' Entrance Assessment Group (SEAG). Parents should therefore ensure that all information pertaining to their child and relevant to the school's Admissions Criteria is stated on or uploaded with the Transfer Application.

Entrance Assessment Results

Please ensure that you enter the Total Standardised Age Score (TSAS) awarded by the Schools' Entrance Assessment Group (SEAG), together with the SEAG Unique Pupil Number, on the Transfer Application and please note it is the responsibility of parents/guardians to make sure that the Statement of Outcome received from SEAG, indicating their child's SEAG Total Standardised Age Score (TSAS), is uploaded with the Transfer Application.

SEAG is very clear that its Entrance Assessment consists of two papers. A pupil who only takes one paper (i.e. either Paper 1 or Paper 2 but not both) will not have completed the full Entrance Assessment. Such pupils will, however, have their "single paper" marked and will receive a Statement of Outcomes. Outcomes for pupils who only sit one paper will have the designation "e" (for estimate) immediately after the Outcome, e.g. Total Standardised Age Score TSAS 196e; Band 4e. Such pupils may be considered for admission by Bloomfield Collegiate School under Special Provisions.

If you are making a claim for your child to be considered under Special Circumstances and/or Special Provision, please note that you are required to present all such material as you consider will assist the Board of Governors in determining if Special Circumstances and/or Special Provision apply and to enable an educational judgement to be made so that a whole number score can be assigned. You should upload the completed Form SC and/or SP (obtainable from the school) with appropriate documentation described below to the Transfer Application.

Further details can be found in the Section 'SPECIAL CIRCUMSTANCES AND SPECIAL PROVISION' below.

Note to Parents/Guardians

Parents/Guardians should note that they are required to produce documents verifying information pertinent to the School's Admissions Criteria. If the documents are not uploaded with the Transfer Application, as detailed below, they will be requested after notification of a place in the school.

RESPECTIVE FUNCTIONS OF THE BOARD OF GOVERNORS AND PRINCIPAL IN RELATION TO ADMISSIONS TO THE SCHOOL

The Board of Governors draws up the admissions criteria and delegates to an Admissions Sub-Committee, which includes the Principal, the responsibility for applying these criteria. Any reference herein to the term the Board of Governors includes any Committee or Sub-Committee appointed by the Board of Governors for the purposes of applying the Admission Criteria set out herein.

ADMISSIONS POLICY

ADMISSIONS CRITERIA FOR ENTRY OF PUPILS INTO YEAR 8 IN SEPTEMBER 2024

During the admissions procedure when applying the criteria punctual applications will be considered before late applications are considered. The application procedure opens on 30 January 2024 at 12 noon (GMT) and an application submitted by the closing date of 22 February 2024 at 12 noon (GMT) will be treated as a punctual application. An application received after 12 noon (GMT) on 22 February 2024 and up to 4pm on 4 March 2024 will be treated as a late application.

Applications for those pupils who have sat the SEAG Entrance Assessments, will be considered irrespective of the order of preference of schools they have expressed. The first criterion for selection for a place in Year 8 at the School will be the pupil's Total Standardised Age Score (TSAS) provided by the SEAG. Consideration will also be given to those pupils claiming Special Circumstances and/or Special Provisions as defined below in section 2.

Whilst the School does not use preference as part of its criteria for admission, it is important to note how such preference may affect the general admission process to a post primary school. All applications for admission will be considered in the first instance by the post primary school listed as first preference and should the applicant be successful in gaining entrance to that school, they will not be considered by the schools listed as second preference and so on. However, should an applicant be unsuccessful in gaining entrance to a school of higher preference and thereby come forward for entrance to Bloomfield Collegiate School, the criteria will be applied to the applicant. She will be ranked in the first instance by the SEAG TSAS alongside all other applicants irrespective of preference.

Definitions

"applicant" means the parent or guardian who completes and digitally signs the Transfer Application on behalf of the child;

"child of the family" covers: a child born to a married couple or to a couple in a civil partnership; a child born to a co-habiting couple; a child born to a single parent; a child of either/any of those people by a previous marriage, civil partnership or relationship; a child living with a couple who has been treated as a "child of the family" whether there is a marriage or a civil partnership or not; a child living with an individual, who has been treated as a "child of the family"; an adopted or fostered child; a situation where for example an orphaned cousin is being brought up with a family or individual.

"eldest" includes twins and other multiple birth applicants, who will be regarded as joint eldest. The "eldest eligible child" criterion will also apply in the case where a family has not had the opportunity to enrol an elder child, such as in cases where the elder child has completed their post-primary education, was statemented or could not attend mainstream school (e.g. attends a special school), or where a family has relocated to Northern Ireland.

"normal home address" will mean the child's permanent home address at the time the application form is being completed. This should be where the parent and child live and where the child spends the majority of the School week (Monday to Friday including nights). Where the child lives with parents with shared responsibility, it is for the parents to determine which address is to be used;

"parent" will mean a person who at the date of application has legal responsibility for the child;

1. INTRODUCTION

1.1 Preference will be given to those pupils for whom a TSAS has been awarded by SEAG or a score has been assigned (by the Board of Governors) in accordance with the arrangements for Special Circumstances and/or Special Provision set out below. The school will award places on the basis of these scores, in strict rank order, with the pupil(s) with the highest score being awarded the first place(s) firstly and then working in descending rank order until the number of places that would be awarded is equal to or greater than the admissions number. Note: where appropriate, the TSAS in the SEAG Entrance Assessment should be entered, along with the SEAG Unique Pupil Number, on the Transfer Application. *It is the responsibility of parents/carers to make sure that the Statement of Outcomes received from SEAG indicating their child's TSAS is uploaded with the Transfer Application.*

- 1.2 **SEAG is very clear that its Entrance Assessment consists of two papers. A pupil who only takes one paper (i.e. either Paper 1 or Paper 2 but not both) will not have completed the full Entrance Assessment. Such pupils will, however, have their “single paper” marked and will receive a Statement of Outcomes. Outcomes for pupils who only sit one paper will have the designation “e” (for estimate) immediately after the Outcome, e.g. TSAS 196e. Such pupils may be considered for admission by Bloomfield Collegiate School under Special Provision - see below.**
- 1.3 The School will **not** use the position of preference given to it on the Transfer Application as a criterion for admission. Therefore, an applicant who has chosen Bloomfield Collegiate as a second or subsequent preference School will not be distinguished from first preference applicants.
- 1.4 Children who are resident in Northern Ireland at the time of proposed admission will be selected before those not so resident. The child’s Birth Certificate and proof of normal home address should be uploaded with the Transfer Application. Proof of address – any TWO of the following recent documents (within six months or billing period) with sensitive information redacted: Bank/building society statement; Utility bill (e.g. electricity, gas, TV licence, landline telephone); Addressed payslip; Letter awarding Child Benefit to the child or another letter relating to this benefit; Mortgage statement; Land and Property Services Rates Demand; Financial statement such as ISA, Pension or Endowment; Current Driving licence; Rental agreement.
- 1.5 The School’s Admission Number is currently 110.

2. ADMISSIONS CRITERIA

- 2.1 The places available up to the School’s Admission Number will be allocated to children on the basis of the rank order of their respective TSAS scores, those achieving higher scores being allocated places before those with lower scores in strict rank order. If several children are eligible for the 110th place because they have equal scores, then all such children will be allocated places up to the School’s Admission Number, using the criteria in section 2.3, if necessary. The TSAS in the SEAG Entrance Assessment should be entered, along with the SEAG Unique Pupil Number, on the Transfer Application.
- 2.2 If, following application of section 2.1, all the available places within the School’s Admission Number have not been filled, the School will consider children who have not taken the SEAG Entrance Assessment. Allocation of any such remaining places will be made by applying the criteria in section 2.3.
- 2.3 If the number of applications exceeds the number of available places, then the following criteria shall apply in the order stated:
- (i) Children with a child of the family enrolled in the School as of 1 September 2023 or accepted for enrolment in September 2024;
 - (ii) Children who are the eldest girl in the family to be eligible to transfer to a mainstream Post-Primary School in Northern Ireland in September 2024 (details to be supplied)*;
 - (iii) Children with a child of the family enrolled in Years 8-14 at an all-boys post-primary school as of 1 September 2023 or accepted for enrolment in September 2024 (details to be supplied)*;
 - (iv) Children who are transferring from one of the following primary schools from which pupils have been admitted in three of the last five years or which are within reasonable walking distance (three miles). No priority will be given to any particular school:

Abbey PS (Newtownards), Andrews Memorial PS, Branial PS, Brooklands PS, Cairnshill PS, Carrowdore PS, Castle Gardens PS, Comber PS, Dundonald PS, Elmgrove PS, Euston Street PS, Forge IPS, Gilnahirk PS, Harding Memorial PS, Holywood PS, Killinchy PS, Knockbreda PS, Knocknagoney PS, Leadhill PS, Lisnasharragh PS, Londonderry PS, Loughview IPS, Moneyrea PS, Nettlefield PS, Newtownards Model PS, Orangefield PS, Rosetta PS, St. Bernard’s PS, St. Joseph’s PS (Holland Drive), St. Matthew’s PS, St. Patrick’s PS (Holywood), Strandtown PS, Stranmillis PS, Strathearn Preparatory Department, Victoria PS (Newtownards), Victoria Park PS.

- (v) Tie-breaker: In the unlikely event that the criteria above, applied in the order listed, have not resolved the final place in Bloomfield Collegiate School, this final place will be determined using selection based on a computer-based process which makes use of the names as entered on the Transfer Application. The ranking process is carried out by means of a computer programme which, for each applicant, generates a ranking number using the details from the Transfer Application as the seed for a random number generator. The ranking number generated, for any given applicant, is dependent only on the applicant's name (as entered on the Transfer Application), and is not affected by the details of any other applicant. Although the process is repeatable, and the results may therefore be subsequently verified, it is not possible to predict, in advance of running the programme, what the result will be for any given set of details. Applicants with the highest ranking numbers will be given places up to the number of places available. Further details may be obtained from the Principal.
- (vi) If there are still places available after consideration of all the children who have taken the SEAG Entrance Assessment and been awarded a Total Standardised Age Score (TSAS) by SEAG (or a score assigned by the Education Committee in accordance with the arrangements for Special Circumstances and Special Provisions as set out below), the School will consider for admission any children who have not taken the SEAG Entrance Assessment. Such children, if they satisfy Section 1.4, will be allocated to the remaining place(s) up to the School's Admissions Number using the sub-criteria listed in Section 2 in the order set out.

***This is subject to satisfying verification requirements as set out below:**

Proof of eldest child and/or brother attending an all-boys post-primary school should be uploaded with the Transfer Application – a letter on headed note paper, stating that the child is the eldest eligible child and/or has a brother attending an all-boys post-primary school and that the family is known to the verifier, from one of the following who is not a family member of the applicant: a Primary School Principal, a medical practitioner, a solicitor, an elected public representative, a member of the clergy or a police officer.

Parents/Guardians must indicate on the Transfer Application which of the above sub-criteria apply and furnish relevant details. The Board of Governors will only take into account information which is detailed on, or uploaded with, the Transfer Application.

3. SPECIAL CIRCUMSTANCES

- 3.1 Bloomfield Collegiate School has academic performance as its first criterion, subject only to the consideration of medical or other problems which may have affected performance in the SEAG Entrance Assessment, and which are supported by documentary evidence of a medical or other appropriate nature. These 'medical or other problems' are commonly referred to as 'special circumstances'.

Please note, if a claim for Special Circumstances is made in respect of matters for which Special Access arrangements have been granted for a child, the School will take into account the fact that the child has already been granted Special Access arrangements for those matters.

Parents who wish to apply to the School under Special Circumstances should complete Form SC obtainable from the School, and attach it with appropriate documentary evidence with the Transfer Application, as detailed below:

- **Details of Medical or Other Problems**

Where it is claimed that a child's performance in the SEAG Entrance Assessment has been affected by a medical or other problem, it is the responsibility of the parents to set out in the Form SC precise details of the problem and append evidence to corroborate its existence.

Where the problem is a medical one of short-term duration which affected the child only at the time of the CEA, the School will require documentary evidence that the child was examined by a qualified medical practitioner in relation to the illness at the time of the relevant assessment, or an explanation as to why this evidence is not available.

Where the problem is of a non-medical nature the parents should append appropriate evidence.

Parents are advised that in all cases independent evidence is likely to carry greater weight than evidence that is not of an independent nature.

- **Educational Evidence**

It is the responsibility of applicants to provide educational evidence as detailed in Form SC. This should include, where they exist:

- a) the results for the child of any standardised tests conducted in Year 5, Year 6 and Year 7 of primary school and the results in any end of year tests in English and Mathematics in Years 5 and 6;
- b) additional comparative information, which has been verified, from the child's primary school and which should include the results, without names, for other pupils in the child's Year 7 class of any standardised tests conducted in Year 5, Year 6 and Year 7, the results in any end of year tests in English and Mathematics in Years 5 and 6 and, where available, the respective Test Standardised Age Scores;
- c) Any other relevant material.

3.2 A panel of Governors will consider each application for Special Circumstances. Where a Special Circumstances claim is upheld the Education Committee will assign, on the basis of the information available, an equivalent Total Standardised Age Score (TSAS) for the child. Such children will then be considered with all other children who have received a SEAG Total Standardised Age Score (TSAS) and the Admissions Criteria applied.

4. SPECIAL PROVISIONS

The Board of Governors will consider applications under Special Provisions received by the Education Authority (EA) no later than 4pm on Monday 4th March 2024.

4.1 Special provisions will apply for:

- a) children whose parents wish them to transfer from schools outside Northern Ireland;
- b) children who have received more than half their primary education outside Northern Ireland;
- c) children who due to a serious medical or other problem supported by appropriate documentary evidence or for a demonstrably valid reason also supported by appropriate documentary evidence, were either unable to sit both the SEAG Entrance Assessment papers OR have an estimated outcome from SEAG because they only sat one of the two Entrance Assessment papers.

Note: It is expected that, all those seeking admission should sit the SEAG Entrance Assessments except those children who take up residence in Northern Ireland after 2 October 2023.

Parents who wish to apply to the School under Special Provisions should contact the School as soon as possible. In addition, they should complete Form SP, obtainable from the School, stating the precise reason(s) why they believe the child is eligible for consideration under Special Provisions and provide appropriate documentary evidence including any Educational Evidence as detailed under Special Circumstances above that might assist the panel to determine an appropriate score. A copy of Form SP and all the documentary evidence should be uploaded with the Transfer Application.

4.2 The Board of Governors will consider each application for Special Provisions. Where Special Provisions are accepted, the following procedure will apply: The Board of Governors will consider the assessment information as detailed in Form SP.

The Board of Governors will assign, on the basis of all the available information, an equivalent Total Standardised Age Score (TSAS) score for the child. Such children will then be considered with all other children who have received a SEAG Total Standardised Age Score (TSAS) and the Admissions criteria applied.

NOTE TO PARENTS/GUARDIANS

It is the responsibility of parents/guardians to ensure that the Transfer Application is completed in full and that all relevant information is uploaded with the Transfer Application.

If the Board of Governors becomes aware of any irregularity in the details uploaded or included on the Transfer Application, it reserves the right to reject the application made on behalf of the child for admission to the School.

DUTY TO VERIFY

Parents/Guardians should note that the information contained on the Transfer Application that qualifies the child for admission will be verified.

The Board of Governors therefore reserves the right to require such supplementary evidence as it may determine to support or verify information on the Transfer Application.

Those making applications should also note that the provision of false information or incorrect information, or the failure to provide verifying documents according to the required deadline, may result in either the withdrawal of a place or the inability of the school to offer a place.

WAITING LIST POLICY

Please note that Bloomfield Collegiate School operates a Waiting List Policy a copy of which is available on the School’s Website. The section relevant to Year 8 entry is as follows:

Waiting List for entry into Year 8 after completion of the Admissions Process

- 1.1 Following completion of the Admissions Process, those pupils who applied to Bloomfield Collegiate School and were not successful in obtaining a place in Year 8 will have their names held on a Waiting List. The names of these pupils will remain on the Waiting List for Year 8 entry until 30 June 2025.
- 1.2 Parents of a pupil who did not apply for a place in Bloomfield Collegiate School during the Admissions Process can apply to have their daughter’s name added to the Waiting List for entry into Year 8 by putting a request in writing to the Principal.
- 1.3 Pupils whose names are on the Waiting List will be considered for any vacancies which may arise in Year 8 following completion of the Admissions Process and during the academic year up until 30 June 2025. Any vacancy will be filled from the Waiting List which exists at the time the vacancy occurs, using the same transfer criteria which applied during the Admissions Process.
- 1.4 The School will take into consideration any new information which may come to light after the Admissions Process is complete.

For the purpose of calculating an applicant's score, grade A* = 4 points, A = 3 points, grade B= 2 points, C* = 1.5 points and grade C = 1 point. Short course GCSEs will be counted as half the points. Pupils who achieve fewer than 17 points will study 3 AS subjects, pupils who achieve 17 to 20 points are strongly advised to study 3 AS subjects and pupils who achieve 21 or more points can choose to study 4 AS subjects.
- 2.3 If the number of applications exceeds the number of available places, then the following criteria shall apply in the order stated:

(Distance will be measured in a straight line using an Ordnance Survey web distance measurement tool from the candidate's normal home address to the School's front gate).

3. SPECIAL CIRCUMSTANCES

- 3.1 Where the performance of a pupil in her GCSE examinations has been affected by verifiably serious and sustained illness or any other verifiable reason deemed, in the opinion of the Principal, exceptional and beyond the control of the pupil concerned, the School may admit the pupil to Year 13 on the basis of a reduced tariff or offer a place to repeat Year 12, if more appropriate.

External Admissions to Bloomfield Collegiate School

1. INTRODUCTION

- 1.1 This section applies to all pupils who are not currently enrolled in Year 12 in Bloomfield Collegiate School.

- 1.2 Those wishing to be considered for a place must complete an application form, available from the School, and return it to the Principal before the publication of the GCSE results or, at latest, by 11 am on the day following the issuing of GCSE results. Applications received after this time will only be considered if there are places available. - 1.3 For external pupils, following publication of the GCSE results the School should be contacted promptly and notified of the GCSE results and Applicants who meet criterion 2.8 will be invited for an interview to discuss potential subject options and a career path.
- 1.4 Pupils must study a minimum of 3 AS or equivalent subjects. For any subject they wish to take to study, pupils will normally be expected to have achieved at least a grade B in GCSE, except where prior study is not a prerequisite. In other cases, additional criteria may be required as published in the Year 12 Choices handbook.
- 1.5 Pupils in Years 13 and 14 may normally only study one subject in another school in collaboration with that school.

2. CRITERIA

- 2.1 In order to be considered for a place in Year 13, the following conditions must be fully met:
- 2.2 The School's Admission number has not been met.
- 2.3 There is availability of places in Year 13, and in classes selected for study.
- 2.4 Pupils must obtain a minimum of 11 points at GCSE (or equivalent).
- 2.5 The Principal must be satisfied as to the pupil's past school record and achievement, including attendance, behaviour and punctuality. A satisfactory attendance rate would be 90% or greater.
- 2.6 The following criteria will be applied to determine the admission of pupils into Year 13. The Board of Governors reserve the right to amend the criteria listed below for pupils who undertook GCSE studies at Bloomfield Collegiate School.
- 2.7 Bloomfield Collegiate pupils who meet the criteria under Internal Admissions will be offered a place first.
- 2.8 Pupils who obtain at least 11 points in their GCSE examinations. For the purpose of calculating an applicant's score, grade A* = 4 points, A = 3 points, grade B= 2 points, C* = 1.5 points and grade C = 1 point. Short course GCSEs will be counted as half the points. Pupils who achieve fewer than 17 points will study 3 AS subjects, pupils who achieve 17 to 20 points are strongly advised to study 3 AS subjects and pupils who achieve 21 or more points can choose to study 4 AS subjects.

 - (iii) If more than one applicant is eligible for the final place priority will be given to the applicant whose home is closer to the school. (Distance will be measured in a straight line using an Ordnance Survey web distance measurement tool from the candidate's normal home address to the School's front gate).

(The Board of Governors reserves the right to require such supplementary evidence as it may determine to support or verify information on any application form)

Criteria for all extra places made available by the Department of Education for admission into Year 13 (Sixth Form)

The Department of Education may, in response to a request from a school, increase the number of pupils the school can admit to Year 13. Places that become available in this way shall be allocated only to pupils who meet the basic eligibility criteria for sixth form (as above) and shall be allocated in the order determined by the criteria to be applied in the order set down.

1. Pupils who have most recently completed Year 12 in Bloomfield Collegiate School.
2. Pupils from other schools where admission has been agreed and additional places granted by the Department of Education. *

*Parents should note how the Department of Education (DE) will, in response to a school's request, temporarily increase the school's enrolment number in order to allow extra post-16 pupils to enrol. DE will only increase the school's enrolment number if it is content that each external pupil for whom a place is requested would not be able to pursue their post-16 course-choices at a suitable school without undertaking an unreasonable journey (i.e. a journey, that by public transport, would be over an hour from where the young person lives, or is further than 15 miles distance). If DE finds that no other suitable school may provide all of the post-16 courses that the pupil wishes to pursue – then DE will agree a school's request for an extra place.

Criteria for entry into Year 14

1. CRITERIA

Bloomfield Collegiate pupils, who wish to return into Year 14, must normally have achieved in AS examinations during Year 13 at least three D grades or a minimum score of 90 points. If an AS grade is not available, due to an English examination board being the awarding body, a predicted grade will be used. (Points Tariff: A = 60, B = 50, C = 40, D = 30, E = 20).

A pupil who is awarded a U grade at AS level in one or more subjects will not normally be eligible for entry into Year 14.

Pupils in Years 13 and 14 may normally only study one subject in another school in collaboration with that school.

2. SPECIAL CIRCUMSTANCES

In the case of a Bloomfield Collegiate School pupil whose performance in the AS examinations may have been affected by extreme medical or other circumstances, which were not taken into account during the examination period under special access or special consideration, the Principal will consider whether it is appropriate for the pupil to continue into Year 14 or to offer a place to repeat Year 13 and that places are available and that the Principal feels it is in the best interests of the pupil to do so.

Direct entry into Year 14 will be at the discretion of the Principal.
