

# Euston Street Nursery

## February Newsletter 2019

Half term break  
14,15,18,19  
Feb

*Please remember home time for the Primary School and Nursery during week beginning 4th Feb is 1.15pm.*

Due to the absence of Mrs Santos we welcome Mrs Titterington to the Nursery Staff.

We wish Mrs Santos a speedy recovery and pass on all your good wishes to her.

### Book Fair 4-7th February

The book fair coincides with Parent Interviews so you may look at books whilst waiting to speak to teachers. It runs from 21.30-2.45pm.

### Reminder

Please ensure your child comes in every day with a warm winter coat. These need to be able to fasten as we go outside on cold days.

Shoes should be Velcro fastened and NOT laces, as detailed in The Nursery Booklet and Parents' Meeting in May.

Please remember to ring us if your child has chicken pox.

There are stomach bugs spreading so please do not send in your child if they have been vomiting. The best advice is to stay off for at least 24 hours and ideally 48 hours.

### Our Themes

After Half Term  
is sizes

### Colour

After Half Term-  
Blue

Our theme and colour will change following half term.

### Helping your child

- Talk about the size of objects.
- Read stories at bedtime.
- Encourage bringing objects for the colour table.
- Encourage the use of safety scissors at home—cutting in straight lines and around objects rather than snipping.
- Using the computer mouse to click on stationary objects.
- Play games that require turn taking.
- Do jigsaw puzzles. (20+ pieces).
- Draw pictures together and encourage recognizable images.

### Parent Consultations

Thank you for attending Parent Consultations.

If an issue arises we have an open door policy and problems are easier to address if we are told immediately of a concern.

### Health Visitor Appointments

The appointment times are displayed in the corridor so you remember to come!

The Health Visitors were full of praise for the prompt return of your questionnaires. Well done!

### **Visit from the Dentist.**

The children have been cleaning their teeth following snack.

Lynn the dentist will reschedule her visit for parents and children as soon as possible.

Good dental routine also includes the fact that no nursery aged child should be using a dummy/soother or drinking from a babies bottle. These impede speech and increase ear infections.

We find old cards useful for scissor practice. We would particularly welcome old Birthday or Valentine Cards !

**Big Bedtime Read Book Bags**  
Remember to return book bags on Wednesday.

When the library cards are processed we will take parents and children recently to join the Woodstock Library where the children are able to borrow up to 9 books!

Details will follow.

Please continue to look out for head lice. Use a fine toothed comb to regularly check for any unwelcome visitors! Treatment is very labour intensive so a preventative tea tree shampoo could prevent any infestations!

*You have received a copy of songs that we were learning about weather. We will soon give you a new one on the theme of sizes.*
