- Encourage bringing objects for the colour table.
- Encourage the use of safety scissors at home—cutting in straight lines and around objects rather than snipping.
- Click on a stationary object using a computer mouse.
- Encourage looking for letters in their name.

### NSPCC—Penny Jar

We are still collecting money for the pringles box in aid of NSPCC. We welcome any change that you may have to spare! The NSPCC deliver workshops to Year 6 and an Assembly to reinforce how to keep safe.

### Library Visit

Some children that had applied for their own library card collected their first books from Anita! If you were unable to join us on the 27th, the cards await your collection at the Woodstock Library.

Pictures are on the web site.

### Parent Staff Association

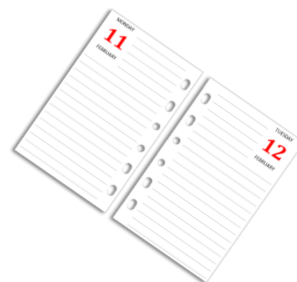

You are invited to attend the  
PSA Family Night on 28/3/19.

You are most welcome to join us in efforts to raise money and run events to benefit the whole school community.

### **Head lice**

Please check regularly for head lice and don't just wait until a note goes home. Inform your child's teacher if you find any-so we can monitor the frequency. It is important to follow the treatment instructions carefully to ensure all critters are eliminated.

### **Bathroom Bags**

There are still a few empty pegs in the bathroom. Ensure that your child has a full change of clothing in case of accidents; trousers, pants, socks, t shirt, jumper and a plastic bag (knotted). Please return any clothes lent to you so that we can replenish our stocks of spare clothes.

*A new song sheet will be coming home this month.  
Your child can teach you the songs.*
