June Newsletter 2019

Sports Day

What a shame our Sports Day was postponed. Unfortunately the predicted weather in the near future is rather wet but we hope to have some races before the end of June!

Transition Reports

This report will be given to you this month. There will be;

- a copy for you to keep,
- one for you to write a comment on and return,
- one for the Year 1 teacher.

Reminder

During warm days we have more time experiencing play activities outside. Please ensure your child has protective clothing—a sun hat, sun glasses and covered shoulders. Sun screen should be applied prior to Nursery .

Trainers with Velcro fastenings remain the most suitable footwear as sandals or slip on shoes do not provide sufficient protection and are a danger when climbing or riding on bikes.

Our Themes

Getting ready for Year 1.

Helping your child

- Talk about and look for shapes in the environment.
- Read stories at bedtime.
- Encourage the use of safety scissors at home—cutting in straight lines and around objects rather than snipping.
- Click and drag on a stationary object with a computer mouse.
- Click on a moving object with a computer mouse. Try 'cricketweb early Years' games.
- Encourage mark making and drawing.
- Talk positively about Year 1, 'your teacher will be so proud of you because....'
- Encourage recognition of numbers and letters.
- Jump in muddy puddles.
- Roll down a hill.

Fun Day

June the 20th will be the Year 1 and Nursery day of fun! Details to follow but our plan is to have a pirate day so home made costumes (a shirt, trousers, belt/scarf and face painted scars should be fun to make)!

Old Sweatshirts

If you have any old sweatshirts that you do not intend to use again, we would be very grateful to reuse them.

It is always useful to have a supply of spare ones for those days when paint gets everywhere.

Please make sure that all book bags are returned prior to the holiday.

Ensure that all your child's belongings are taken on their last day. Coats, bathroom bags, work files and asthma inhalers.

Please note the following information for those making the transition to Euston Street Year One in September.

Thursday 6th June - Y1 meeting for parents in main school @ 1.00pm. No change to Nursery day.

Friday 7th June - Nursery children going to Euston Street in September will visit their new teacher.

All children will stay for dinner as usual, but those due to attend different schools will go home at 12:45pm (immediately after dinner). Those children attending Euston Street will be brought to their Year 1 classroom to meet staff after lunch. You will collect your child from their Year 1 classroom at the usual time.
