

# Euston Street Nursery

February Newsletter 2020

Half term  
break  
17-19th Feb

**Home time for the Primary School and Nursery during week beginning 10th Feb is 1.15pm. This is to enable Parent Consultations to take place.**

**Rights Respecting School**  
We achieved our silver award recently.

The right of the month for February is 'the right to be safe on line'.

We have talked to the nursery children that they should have an adult with them when using a device. This adult can help them if something unusual happens.

## **Book Fair 10-13th February**

The book fair coincides with Parent Consultations so you may look at books whilst waiting to speak to teachers. It runs from 1.30-2.45pm.

## **Reminder**

Please ensure your child comes in every day with a warm winter coat. These need to be able to fasten as we go outside on cold days. Shoes should be Velcro fastened and NOT laces, as detailed in The Nursery Booklet and Parents' Meeting in May.

Please remember to ring us if your child has chicken pox or other contagious illness.

There are stomach bugs spreading so please do not send in your child if they have vomiting or diarrhoea. The best advice is to stay off for at least 48 hours.

## **Our Themes**

After Half Term  
is sizes

## **Colour**

After Half Term-  
Blue

Our theme and colour will change following half term.

## **Helping your child**

- Talk about the size of objects.
- Read stories at bedtime.
- Encourage bringing objects for the colour table.
- Encourage the use of safety scissors at home—cutting in straight lines and around objects rather than snipping.
- Using the computer mouse to click on stationary objects.
- Play games that require turn taking.
- Do jigsaw puzzles. (20+ pieces).
- Draw pictures together and encourage recognizable images.

## **Parent Consultations**

We look forward to meeting you soon to discuss your child's progress.

If an issue arises we have an open door policy and problems are easier to address if we are told immediately of a concern.

### Home Learning Bag—Talking dogs

Our dogs may have already visited you...remember they should only stay for one night.

They are well trained and should sleep in their own basket not in your child's bed. They like to chew their bones so won't eat your slippers. We welcome any photos and diary entries about their stay.

We find old cards useful for scissor practice. We would particularly welcome old Birthday or Valentine Cards!

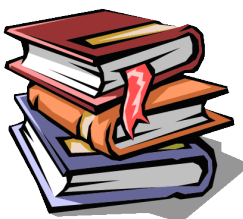

### Big Bedtime Read Book Bags

Remember to return book bags on Wednesday.

When the library cards are processed we will take parents and children to join the Woodstock Library where the children are able to borrow up to 9 books!

Details will follow.

### PE

We now go to the hall for PE.

Please ensure your child wears trainers for safety.

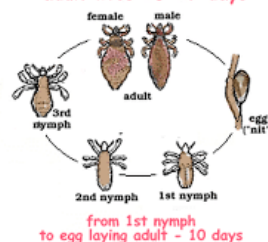

Boots and sandals are not appropriate footwear for games in the PE Hall.

Please continue to look out for head lice. Use a fine toothed comb to regularly check for any unwelcome visitors! Treatment is very labour intensive so a preventative tea tree shampoo could prevent any infestations! Long hair should be tied back.

### LIFE CYCLE OF HEAD LOUSE

adult lives 16-27 days

*You have received a copy of songs that we were learning about weather. We will soon give you a new one on the theme of sizes.*
